

Young Lawyers' Division of the Bar Association of Baltimore City

2022-2023 Committee Interest Form

The Young Lawyers' Division ("YLD") can provide you with meaningful ways to get to know members of the Bench and the Bar. Some will be familiar faces that you regularly encounter in your practice and others will have different backgrounds, interests, and experiences from yours. Our programs are varied and include educational, social and public service opportunities where you can meet friends, grow your network in the legal community, develop referral and mentorship relationships and give back to the City of Baltimore and its residents. No matter how much or little time you have to devote, there is a place for you in the YLD. Please join us!
